

# TeachingTech

Kendall Heinlein

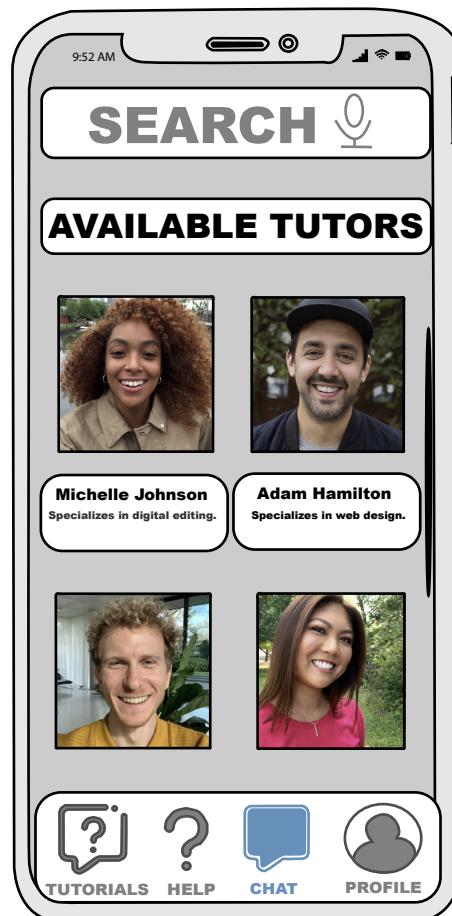

Struggling in today's world with all the new and advanced technology? TeachingTech is here to help answer any technological question you need answered. With just a tap, you can receive help.

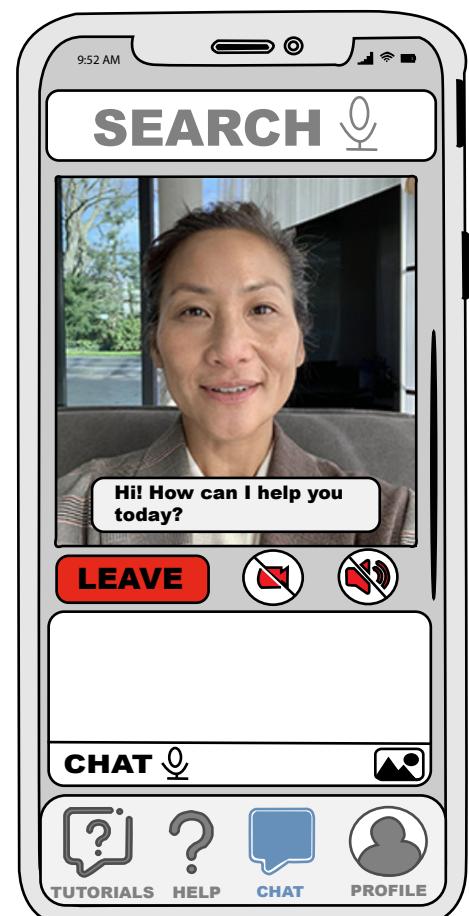

Welcome to TeachingTech! Once you open the app this page will appear and quickly fade to bring you to our home page.

When selecting the Chat icon you will be brought to the Chat page. Here is where you can choose who you want to communicate with.

When selecting Tutors on the Chat page you will be brought to our Tutor page to see all the available tutors.

Once you select the right tutor for you, you will be able to chat!
